

IBCAST (Fluid Dynamics)

Centers of Excellence in Science & Applied Technologies
(CESAT)

Fluid Dynamics

Feedback Form for Fluid Dynamics (FD) Session

We respect your feedback.....

Please help us to improve by giving your worthy suggestions!!!

On behalf of the IBCAST team and FD chapter (in particular) we thank you for your participation and hope that FD activity was beneficial for you.

We take this opportunity to have your suggestions regarding improvement of the next IBCAST and Fluid Dynamics chapter (in particular). Thanks..... Dr Muhammad Rafique (FD Chapter).

Q/No.	Points	Below Average	Average	Very Good	Excellent
1	How do you rate the quality of the general conference papers presented?				
2	How do you rate the level of knowledge presented by invited speakers?				
3	What do you think about the time given for the invited talks?				
4	What do you think about the time given for the general presentations?				
5	Did you get benefited by the Fluid Dynamics chapter?
