Instructions for the Fluid Dynamics Sessions

We welcome you all on the behalf of IBCAST team. In order to conduct the sessions judiciously and in smooth fashion, we request you to follow these instructions.

- Total allocated time for the presentation is 20 minutes including 'up to 5 minutes' of the question-answer session.
- After 15 minutes from the start of presentation, the session chair will raise '**5 minutes left**' card as an instruction. At this time the presenter **must windup** his talk to give ample time for the question-answer session.
- If the presenter is not finished up with 1 minute remaining of the stipulated time of 20 minutes, the session chair will raise the '**1 minute left**'. At this time, the presenter has to **stop**. Indication will be given through bell.
- Audience is requested to switch-off their mobiles or put them on silent.
- If you have any question during any presentation, please write them ask when question-answer session begins.
- Please be courteous in giving others a chance for question-answer session by asking short and to the point questions.
- If the time is over and some questions are still to be asked, please use your time during tea-break/lunch break.
- In case you need to do some discussion during the presentation, please make sure you don't disturb others.
- For any quick query regarding FD you may contact following persons:
 - Mr. Waheed Ul Hassan 0346-5484359
